Dear members of the FBI National Academy Associates, greetings from the District of Columbia Chapter of the FBINAA.

The DC Chapter Executive Board of the FBINAA would like to extend to you an invitation to return to our chapter and renew your membership in our chapter and the FBINAA. Our chapter is looking forward to serving you and providing an outstanding professional law enforcement network.

The DC Chapter (FBINAA) comprises of sworn and retired federal, state and local law enforcement personnel throughout the Washington DC metropolitan region. Our chapter members comprise a wide range of agencies, such as: MPDC, USPP, USSS, MTPD, USC, ATF, FBI, FRB, BPE, PFPA, USMC, GPO, CID, Fairfax, Arlington, Alexandria, DHS, DTRA, NRO, HUD, Manassas, and many other local and federal departments throughout the region. Our membership also includes a wide range of people from private industry, military organizations and retired law enforcement, who continue the proud tradition that the FBINAA represents.

As a graduate of the FBINAA, you hold a very unique place in law enforcement, and your continued support and participation in the FBINAA is vital to the mission and success of the DC Chapter and the FBINAA.

The FBI National Academy Associates, Inc. (FBINAA) is an active and healthy organization with nearly 17,000 members worldwide, who are graduates of the FBI National Academy Program. The purpose of the FBINAA is to provide members with continuing education, training, research, and professional development opportunities in law enforcement disciplines which will promote improved law enforcement cooperation, services, and standards of professional conduct in all levels of law enforcement.

NAA members each belong to a local chapter. The DC Chapter is one of forty-four US Chapters. Each chapter member receives NAA information from the chapter and may attend any chapter functions, such as training events, business meetings, and social events. Each chapter elects officers who are responsible for the operation of that chapter. The chapters are part of a larger geographical area, called a section. The DC Chapter is in Section III. The DC Chapter is represented on the Executive Board by a Section Representative. About 60% of the national membership consists of active members who are currently employed in a sworn law enforcement position. The other 40% are retired members, who are employed in a position other than sworn or who are totally retired.

The DC Chapter hosts four annual conferences or “retrainers” for our members. The DC Chapter continues to enter into partnerships with the Maryland/Delaware, Virginia and West Virginia state chapters to participate in and share quality training, conference and social functions to facilitate cooperation with all of our law enforcement partners. We have an outstanding relationship with our fellow local chapters and continue to coordinate our training and conference objects to better serve the FBINAA and the Washington DC metropolitan region. The DC Chapter members have an open
invitation to attend other chapter events and we have extended the same invitation to this chapters members or any FBINAA graduate to attend any DC training, conferences or events.

Current members of the FBINAA are entitled to access to the following benefits:

- A worldwide network of more than 17,000 law enforcement leaders
